

Duke CE Advanced Leadership Certificate Programme

Creating People-First Leaders for Today's Complex Organisational Challenges

In an era defined by rapid change and increasing complexity, effective leadership is more critical than ever. The **Duke CE Advanced Leadership Certificate Programme** equips leaders with the skills they need to innovate, communicate, and motivate in today's dynamic environments. Through engaging discussions, inquiry, and activities, attendees transform in real-time into effective leaders who understand that all organisational success begins and ends with people.

Duke CE Corporate Education was ranked #1 in 2023 by the Financial Times for custom education worldwide."

Benefits of Leadership Training

- **Better Decision-Making** - Make faster and more informed decisions in complex situations.
- **Team Impact** - Enhance the performance and impact of your teams on organisational success.
- **Collaborative Solutions** - Develop skills to effectively influence and partner with stakeholders.
- **Breakthrough Innovation** - Drive innovation using principles of design thinking.

Learning Tree's Approach

- **Action Learning Experiences** - Includes simulations, case studies, and peer problem-solving sessions.
- **Engaging Inquiry-Based Learning** - Focuses on interactive knowledge transfer rather than passive lectures.
- **Expert Collaboration** - Combines the academic research of Duke Fuqua School of Business faculty with real-world experience from Learning Tree instructors.
- **Comprehensive Programme Structure** - Six courses addressing critical leadership areas, designed for experienced managers.
