FITEQ SENDS MESSAGE OF HOPE AND SOLIDARITY TO TEQBALL FAMILY AHEAD OF TOKYO 2020

As the Olympic and Paralympic Games Tokyo 2020 fast approaches, the International Teqball Federation (FITEQ) sends its best wishes to members of the teqball family who will represent their National Olympic Committee and National Paralympic Committees during the Games.

There will be 24 individuals from National Teqball Federations around the world travelling to the Japanese capital as part of their country's Olympic or Paralympic delegation. FITEQ wishes the best of luck to all these members of the global teqball family, as well as their colleagues and athletes, as they prepare to participate in the pinnacle of sport.

FITEQ President Gábor Borsányi and Chairman Viktor Huszár will also travel to Tokyo for the Olympic Games. In a joint message of hope and solidarity, they said, **"The Olympic**

and Paralympic Games is the ultimate sporting stage, where the most talented athletes from all five continents unite the world through a celebration of our shared passion. It's an honour to have so many members of the teqball family playing a key role in their country's Olympic and Paralympic experience and FITEQ wishes them all the best of luck. It will be truly magical to witness the Games in Tokyo and envisage our own dream of teqball and para teqball one day being part of these incredible sporting events. We look forward to seeing our friends in Japan, where we will of course share the exciting news from the teqball world, but most importantly show our support to the International Olympic Committee, the International Paralympic Committee and their partners in Japan for staging the Games in such testing circumstances."

From **Africa**, the following individuals will be in Tokyo as part of their National Olympic Committee's or National Paralympic Committee's delegation:
