MAY 2021

Edition 21

14 May 2021

The teqball family welcomed the return of Challenger Cups to Europe this month, with the world's best athletes competing in the same field for the first time this year. There were also Challenger Cups in Cape Verde, the US and Lebanon, as well as National Challenger Series events in Ivory Coast and Sierra Leone. Off the court, the Teqball Roadshow reached a number of new countries and FITEQ General Secretary Marius Vizer Jr sat down to share his views on the roadshow's progress so far. FITEQ also celebrated the major milestones of Play True Day and Earth Day, as it continues to promote the importance of clean sport and the role sport can play in the global climate action effort.
