Pre-approved Training for Continuing Education Units (CEUs)

Approved training courses in this document are subject to change without prior notification. Training submitted based on prior approval will remain valid. Training submitted after the date on this document must meet this documents training requirements.

- **Training approved in this document is based on the following certifications:**

- A+
- CySA+
- Cloud+
- Network+
- CASP+
- PenTest+
- Security+
- Linux+

- Note: CompTIA has not yet rolled out a list of pre-approved training for Data+ certification.

- **Activity name to use when uploading CEUs into a certification record**

- Completed a Training Course

- **Training formats accepted:**

- Classroom Based
- Live Online

- Private Onsite
- Self-paced e-learning

- **CEU Required Documentation:**

- Name of training provider
- Training course title
- Name of the certified professional
- Date the training was completed

- The course duration hours are to be used when entering CEU hours in a certification record. Please see the training provider course descriptions for durations.

- If a certified professional cannot provide proof of completion the training cannot be used for CEUs.

- **CEU Activity Guidelines:**

- If renewing a 'good for life' certification the training must have been completed within 90 days prior to enrolling in the Continuing Education (CE) program or within the 3-year CE cycle.
- If renewing a 'CE' certification, training must be completed within the 3-year CE cycle.

CEU Disclaimer: Continuing Education Unit (CEU) eligibility and credit values are determined by the applicable accrediting or certification body, CompTIA. As a general guideline, many organizations award approximately one CEU/CPE per hour of completed instruction (e.g., a 6-hour course may qualify for approximately 6 CEUs/CPEs). Actual credit awards may vary by accrediting organization, certification program, and individual requirements. Learners are responsible for confirming acceptance and credit values with their certifying body.
