YOUR SOLUTION FOR:

- Hydrating and moisturizing from the inside out
- Helping skin's elasticity and firmness through moisture retention
- Visibly improving uneven skin tone and reducing discoloration
- Promoting brighter looking skin and youthful radiance
- Fighting visible signs of aging

USAGE:

After cleansing and applying serums, apply a fair amount of cream to your skin in sweeping upward motions to complete your PM routine.

THE ACTIVES:

Majestem™ Edelweiss stem cells, Gatuline® In-tense Spilanthès acmella flower extract, vitamin B3, liposome encapsulated Swiss glacial water, Vitamin C, Vitamin E, Vitamin B5, blue-green algae extract, hyaluronic acid.

FREQUENTLY ASKED QUESTIONS

WHAT IS THE PURPOSE OF A NIGHT CREAM?

While you sleep, your skin undergoes a natural restorative process. We specially formulated Renewing Night Cream with this in mind, so you wake up with refreshed and rejuvenated skin each morning.

WHAT'S THE DIFFERENCE BETWEEN A CREAM AND A MOISTURIZER?

Renewing Night Cream is richer than simple moisturizers and is packed with even more powerful ingredients, making it ideal for nighttime use. In particular, Renewing Night Cream incorporates several ingredients you won't find in a moisturizer, all of which assist with your skin's nighttime renewal process.

WHAT TIME OF DAY SHOULD I USE RENEWING NIGHT CREAM?

We recommend using Renewing Night Cream as the last step in your evening skincare regimen.

CAN I USE RENEWING NIGHT CREAM WITH OTHER LUCIM PRODUCTS?

Yes! In fact, we designed Renewing Night Cream to provide the best results when used along with other Lucim products for a complete skincare regimen.

WHICH TYPE OF SKIN IS RENEWING NIGHT CREAM SUITABLE FOR?

Renewing Night Cream is a thick and rich moisturizing product. It works for all skin types, and is particularly useful on fatigued, mature skin.

HOW DO I USE RENEWING NIGHT CREAM?

For best results, use Renewing Night Cream in the evening. After cleansing your skin and applying serums, apply a small amount of product to your face in sweeping, upward motions.

IS RENEWING NIGHT CREAM NON-COMEDOGENIC (NON-PORE-CLOGGING)?

Yes. Renewing Night Cream will not clog your pores.

DO YOU TEST ON ANIMALS?

No. All Lucim products are Leaping Bunny certified cruelty-free by Consumer Information on Cosmetics (CCIC).

HOW SHOULD I STORE RENEWING NIGHT CREAM?

We recommend storing it in a cool, dry place below 25°C and out of direct sunlight. TIP: In hot or humid climates, this product can be stored in the refrigerator at 5°C.

WHY IS MY CREAM CHANGING COLORS?

The natural qualities of the powerful antioxidants and botanical extracts found in this product may produce varying shades of color between products. Shades ranging from cream to dark beige are normal for this product and a sign of its natural, botanical goodness. Despite the color shifts, the product remains effective and safe.

HOW LONG WILL RENEWING NIGHT CREAM LAST?

With daily use, the product should last up to one month.
