# A Guide To Finding The Right Learning Solutions For Your Journey

## On Demand Training

Learn on Your Own Time.

With on demand training options from Learning Tree, you can choose the time and duration of training that best suits your schedule and learning needs at a fraction of the cost of in-person training.

Explore our growing library of self-paced courses and bundles listed on the next page. We have an expanding library of pre-configured virtual lab environments to help you hone your skills in a safe, hassle-free environment.

## Blended Learning

The Best of Both Worlds.

Blended learning leverages the flexibility and convenience of self-paced training and the personal connection and accountability of in-person instruction.

Learning Tree's Blended Learning Bundles offer flexible delivery, featuring anywhere, anytime, any way access to self-tailoring learning experiences.

**INFO!** To serve you better, all public training events are running as scheduled as 100% virtual attendance and are Guaranteed to Run.
