LEARNING TREE™

Accelerate Performance and Career Advancement with Learning Tree's Advantage Plans

An ANNUAL SUBSCRIPTION PLAN with tailored learning paths to create alignment between organisational goals and individual training needs.

FEATURED LEARNING PATH

Impactful Reporting with Power BI

Embark on a journey of Impact with Power BI Reporting. Discover our top 3 rated courses and equip yourself with advanced reporting competencies to drive positive change through this suggested learning path. Get familiar with interactive data visualisation powered by various data sources. Plus, become versed with Microsoft Power BI Data Analysis Expressions (DAX) to define the common business calculations to enable informed decision-making, influence organisational strategies, and ultimately make meaningful impact.

Visualise Your Learning Path to Success with Power BI Reporting

Introduction to Power BI Training
Course 1360

Power BI: Hands-On Reports and Dashboards
Course 1232

Introduction to DAX for Power BI
Course 1365

Included in this Learning Path:

- ✔ Connect to Data from Multiple Sources
- ✔ Transform Data with Power Query
- ✔ Organise Tables into a Tabular Data Model
- ✔ Build Compelling Visuals That Tell a Data Story
- ✔ Extract Business Intelligence with DAX
- ✔ Publish/Distribute Reports Online
- ✔ Implement Row Level Security

See Next Page for 65 Learning Path Options »

300+ Courses. 65+ Learning Paths. Unlimited Possibilities.

Preparing for Career Advancement & Advancing Organisational Performance

Choose from a comprehensive range of role-based courses to meet job and certification requirements. These recommended paths, taught by our highly experienced Real-World Instructors will help build the skills necessary to boost productivity and advance careers.

> *"My experience with Learning Tree has been amazing! It's the first time I've taken a course where I thought, 'I really learned something this week.' What made the key difference was that my instructor actually uses the skills he taught me — **in the real world — every day.**"*
