7 Relocation of Apparatus Required by the Grantor

7.1 This clause 7 applies if the Grantor intends to repair or redevelop the Property, necessarily involving the relocation of the Apparatus. For these purposes, the expressions:

7.1.1 "repair" is to be construed as including any operation by way of repair, improvement, alteration, refurbishment, renewal or addition of or to the Property, or of or to the plant and equipment of the Grantor in the Property; and

7.1.2 "relocation of the Apparatus" means the relocation of the Apparatus whether it is to be temporary or permanent.

7.2 The parties shall use reasonable endeavours to collaborate with a view to providing acceptable solutions to situations that:

7.2.1 allow for the Grantor's requirements to repair or redevelop the Property, and to require the relocation of the Apparatus; and

7.2.2 enable the Operator to provide a continuous electronic communications service to its customers in the Property.

7.3 The Grantor shall give to the Operator:

7.3.1 not less than 3 months' notice of its intention so to repair or redevelop the Property except in case of emergency when as much notice as is reasonably practicable, or none if not practical, has to be given;

7.3.2 details of how the relocation of the Apparatus is to be accommodated to enable, or allow for, the Property to be repaired or redeveloped; and

7.3.3 evidence that it has obtained, if applicable, planning permission or other permissions, or licences, enabling it to commence carrying out repair or the redevelopment.

7.4 If the nature or extent of the repair or the redevelopment is such that the continuation in the location specified in this Agreement would not be practicable, the Grantor shall use reasonable endeavours:

7.4.1 to find an alternative, suitable, location in the Property for the Apparatus reasonably satisfactory to the Operator and the Grantor; and

7.4.2 to meet the Operator's reasonable requirements to secure the uninterrupted service provided by the Apparatus.

7.5 The Operator shall use reasonable endeavours not materially to hinder, prevent, impede or increase the cost to the Grantor of works of repair or redevelopment.

7.6 The Grantor may not require relocation of the Apparatus more than three times in any consecutive period of five years during the continuance of this Agreement.

7.7 The reasonable costs of relocating the Apparatus are to be borne by the Grantor.

7.8 If the parties are unable to agree an alternative location for the Apparatus by a time at least one month before the expiry of the notice given by the Grantor under clause 7.3.1, either the Grantor or the Operator may refer the matter for determination under clause 13.

7.9 The Operator acknowledges that nothing in this Agreement is intended to prevent or restrict the right of the Grantor to repair or redevelop the Property or any other buildings, property or land.

8 Interference

If it is demonstrated by the Grantor that the Apparatus at any time materially interferes (electronically, electromagnetically, mechanically or otherwise) with the operation of other equipment installed at the Property before the date of this Agreement, the parties are to co-operate and use reasonable endeavours to find and implement a technical solution.

9 Assignment and Sharing

9.1 This Agreement may be assigned only to an operator to whom the Code is applied under section 106 of the Communications Act 2003.

9.2 Unless the Grantor agrees to forgo the right to require it, the assignor shall enter into a guarantee agreement guaranteeing the performance by the assignee of the obligations under this Agreement of the assignee as Operator on terms that the guarantee may:

9.2.1 impose on the assignor liability as a sole or principal debtor in respect of the relevant obligations in this Agreement; and

9.2.2 impose on the assignor liabilities as guarantor in respect of the assignee's performance of the relevant obligations which are no more onerous than those to which the assignor would be subject in the event of the assignor being liable as sole or principal debtor in respect of any of the relevant obligations; and

9.2.3 Include incidental or supplementary provisions, but may not impose on the assignor a requirement to guarantee in any way the performance of relevant obligations by a person other than the assignee, or any liability, restriction or other requirement of any kind in relation to a time after the relevant obligations cease to be binding on the assignee.

9.3 The assignor is not liable, otherwise than under a guarantee agreement in clause 9.2, for a breach of this Agreement occurring after the assignment if:

9.3.1 the Grantor is given notice of the name of the assignee, to whom this Agreement has been assigned, and the assignee's address for service in the form of 19(or a form of notice containing all the same

information as) the notice set out in Schedule 3; and

9.3.2 the notice has been given to the Grantor before the occurrence of the breach.

9.4 The Operator shall notify the Grantor of the completion of the assignment of this Agreement within 28 days after the date of the assignment, and shall provide to it a certified copy of the assignment.

9.5 The Operator may share the use of the Apparatus with another operator to whom the Code is applied under section 106 of the Communications Act 2003 subject to the conditions in clauses 10.2 and 10.3.

10 Upgrading and Works to facilitate sharing of Apparatus

10.1 The Operator may upgrade the Apparatus, or carry out Works required to give effect to sharing the Apparatus whether or not by way of upgrade to it, subject to meeting the tests applying, and the requirements, in the following provisions of this clause 10.

10.2 The changes to the Apparatus so required may only be made if they do not:

10.2.1 have an adverse impact, or no more than a minimal adverse impact, on the appearance of the Apparatus; or

10.2.2 impose an additional burden of any kind on the Grantor, including anything that has an additional adverse effect on the Grantor's enjoyment of the Property, or causing it additional loss, damage or expense, unless the Grantor consents to the changes being made on terms it reasonably requires to mitigate the adverse impact or additional burden which would otherwise result, or the changes are ordered by the court.

10.3 The Operator shall give to the Grantor not less than 4 weeks' notice of its intention to make changes to the Apparatus of more than minimal adverse impact upon the Grantor or the Property before commencing any Works, and shall provide:

10.3.1 evidence (including drawings, specifications, plans and method statements as appropriate) to show to the reasonable satisfaction of the Grantor that the conditions in clause 10.2 are to be met; and

10.3.2 if applicable, details of the identity of the operator with whom the Apparatus is to be shared.

11 Termination

11.1 This Agreement may be terminated in any of the circumstances set out in this Clause 11. Following termination of this Agreement by the Grantor, the Code Rights of the Operator may nevertheless continue to be exercised by it for so long as they remain exercisable in accordance with Part 5 of the Code and to be binding during that period on the Grantor.

11.2 This Agreement terminates immediately if:

11.2.1 the Operator ceases permanently to provide the electronic communications service to which this Agreement relates whether or not it removes the Apparatus;

11.2.2 the Operator ceases to be a person to whom the Code is applied; or

11.2.3 the Apparatus is no longer being used, nor likely to be used, at the Property, or is removed by the Operator otherwise than temporarily for repair or replacement;

11.3 This Agreement may be terminated if either the Operator or the Grantor is in substantial breach of this Agreement, and has failed to remedy the breach within three months following service of notice by the other specifying the breach and requiring it to be remedied. The Grantor or the Operator (as the case may be) may then, or at a later time while the breach has not been remedied, terminate this Agreement immediately by giving notice to the other to that effect.

11.4 The Grantor may terminate this Agreement by giving to the Operator not less than three months' notice that it intends to commence to repair (as defined in clause 7.1.1) the Property in circumstances in which the continuation of this Agreement under clause 7.4 could not be practicable.

11.5 The Grantor may terminate this Agreement and the Operator's Code Rights by giving to the Operator not less than 18 months' notice that it intends to redevelop the whole or part of the Property and could not reasonably do so unless this Agreement is terminated and the Code Rights come to an end.

11.6 Following the termination of this Agreement and the coming to an end of the Code Rights of the Operator:

11.6.1 the Operator shall, at the Grantor's reasonable request by notice given within a period, not exceeding 6 months after the date of termination of this Agreement and the coming to an end of the Operator's Code Rights:

(a) remove the Apparatus from the Property as soon as reasonably practicable; and

(b) make good damage occasioned to the Property by its removal to the reasonable satisfaction of the Grantor within a reasonable period not exceeding three months after the date of the Grantor's request; but

11.6.2 if the Operator does not comply within 3 months with the request of the Grantor given under clause 11.6.1, the Grantor:

(a) is to be entitled to treat the Apparatus as abandoned and of no value; and

(b) may remove and dispose of the Apparatus and recover from the Operator the reasonable costs of doing so.

12 Indemnity provisions

12.1 The Operator shall keep the Grantor indemnified against liabilities suffered or incurred by it arising out of the breach, non-observance or non-performance of the obligations of the Operator in this Agreement.

12.2 In this clause 12, "liabilities" includes losses, claims, demands, proceedings, damages, compensation, costs and expenses.

12.3 The indemnity of the Operator under clause 12.1 applies to liabilities suffered by the Grantor arising from any cause, including the following causes:(or adjoining property, or the plant and machinery serving it); and

12.3.1 delay to, prevention or redesign of works of repair (as defined in clause 7.1) by the Grantor of the Property

12.3.2 loss of rent from the Property, or loss of value equal to the difference between the value of the Grantor's interest in the Property with the continuing presence of the Apparatus and the value of its interest without it.

12.4 Claims of the Grantor under these indemnity provisions, howsoever the liability of the Operator arises, are not to exceed £10,000,000 in aggregate in any insurance year under the policy of insurance, unless it involves death or personal injury caused by negligence of the Operator or those for whom it is vicariously responsible.

12.5 The Grantor:

12.5.1 shall notify the Operator as soon as may reasonably be practicable on becoming aware of any liabilities and shall use reasonable endeavours to mitigate the liabilities for which it seeks indemnity; but

12.5.2 may not compromise or settle any of the liabilities, unless required under an order of court, without the consent of the Operator, and shall permit the Operator to defend the claims in the name of the Grantor at the expense of the Operator.

13 Mediation of Disputes and Dispute Resolution

13.1 Either the Grantor or the Operator may refer a dispute in connection with this Agreement to the respective nominated managers of each for resolution, both of whom are to use their reasonable endeavours to resolve the dispute in the first instance as soon as reasonably practicable. A nominated manager must be a senior representative empowered to make executive decisions on behalf of the party he or she represents.

13.2 If the dispute is not so resolved within twenty-eight (28) days after referral in accordance with clause 13.1, either party may request by notice given to the other ("dispute notice") that the dispute is referred to mediation for resolution.

In that event:

13.2.1 the parties shall appoint a single mediator to perform the mediation;

13.2.2 where the parties are unable to agree on the appointment of a mediator within twenty-eight (28) days of the dispute notice, the mediator is to be appointed by the Centre for Effective Dispute Resolution, or its successor or replacement body, on the application of either party; and

13.2.3 the mediation is to be conducted in England pursuant to a procedure established by the mediator in his or her absolute discretion.

13.3 Neither party may commence court proceedings in relation to the dispute until (acting in good faith):

13.3.1 it has first attempted to settle the dispute by mediation in accordance with clause 13.2; and

13.3.2 either the mediation has terminated or the other party has failed to participate in the mediation, but the right to issue proceedings is not to be prejudiced by unreasonable delay in the mediation proceedings.

13.4 A dispute or difference between the parties (other than one in relation to the Code), that is not resolved by mediation under this clause 13, is to be referred to a single arbitrator, if the parties can agree on one, but otherwise to an arbitrator appointed by the President of the Royal Institution of Chartered Surveyors at the request of either party.

13.5 The Arbitration Act 1996 is to apply to the reference.

13.6 The parties acknowledge the power of the arbitrator, under section 37 of the Arbitration Act 1996, to appoint experts or legal advisers, or technical assessors to assist on technical matters.

13.7 Disputes relating to the Code are to be resolved through the courts of England and Wales.

15 Costs and VAT

15.1 All costs payable to a party are exclusive of value added tax chargeable on taxable supplies made by that party

under or in connection with this Agreement; the tax is to be paid in addition.

15.2 A party supplying goods or services under this Agreement is to be paid the amount of any input value added tax incurred by that party to the extent to which it is not entitled to credit under section 26 of the Value Added Tax Act 1994.

17.2 Liability of the Grantor on the one hand and the Operator on the other and any remedy at law, in equity or under statute in respect of such a statement or representation, if innocently made, or for implied warranty, is excluded.

18 Severance of Invalid Provisions

If a term of this Agreement, or its application to any person or circumstance, is held to be invalid or unenforceable, the term, or the relevant extent of its application, is to be treated as severable; the remainder of this Agreement is to continue in force and to be enforceable to the extent permitted by law.
