CENTRIA NAMED DOUBLE WINNER AT 20TH ANNUAL E-HEALTHCARE AWARDS

The awards honor the very best websites and digital communications from a broad spectrum of healthcare organizations

[Centria Healthcare](#) has been selected as a winner with distinction for two categories at the 20th Annual e-Healthcare Leadership Awards competition. Winners represent 17 industry classifications, from hospitals and health systems to pharmaceutical firms and online health companies. Awards were given based upon having the most impactful, cutting edge initiatives by healthcare organizations to make their members more informed and their organizations more successful.

Centria Healthcare was honored in the category of *Best Healthcare Content* for their [Find Your Potential](#) video series which celebrates wins, both big and small, for children with autism. The videos aim to educate around ABA Therapy and its benefits and inspire optimism and hope for families that are on their own journeys.

Centria also won for *Best Site Design* after their 2019 re-launch of CentriaHealthcare.com. The newly designed website is a one-stop-shop for information seekers as well as job seekers. Cited for its clean and modern design, the new website positions Centria Healthcare as a leader in the digital space as well as a leader in ABA therapy and Home Healthcare fields.

"I'm very proud of both TMV Group, our website partner, as well as our internal marketing team, for consistently striving to deliver high quality content and the best user experience," said Dave Spencer, Chief Marketing Officer at Centria "It's an honor to be recognized by the eHealthcare awards for everyone's excellent work."

About Centria Healthcare

[Centria Healthcare](#) is a leading provider of home and center-based therapy and nursing care services offered under three distinct service lines. Centria Autism operates in 11 states and provides therapy and support to families living with autism, from pre-diagnosis to treatment planning to ABA therapy. Centria Pediatric Nursing provides pediatric home healthcare and round-the-clock nursing to families in Michigan with children who have severe medical requirements. Centria Catastrophic Injury Care coordinates comprehensive care and therapies for those Michigan residents involved in the most serious of accidents whose injuries include traumatic brain, spinal cord, and orthopedic injuries.
