WLN Partners may register new WLN Partners in all countries where We Love Noni is officially active, except China. WLN Partners must ensure that all potential WLN Partners have access to the current Handbook and read it before or at the same time as they submit their WLN Partner Application Form.

Possible WLN Partners statuses: Active or inactive

Under the Contract, WLN Partnership can be maintained with or without any purchase. To be an active WLN Partner and maintain this position, you must also make regular purchases. The minimum activity to be fulfilled can be ensured by purchasing products representing 100 QV in a given calendar month under the WLN Partner's own identification number. In the case of inactivity, the WLN Partner is not entitled to commission or bonus payments. Activation is possible by placing an order worth 100 QV on your own ID. The Partner is not entitled to Quick Start payments generated within a given calendar month before the activation date (the date of payment of the 100 QV order under the Partner ID). If, within the calendar month, the Partner who was inactive in the previous month becomes active, he/she will be entitled to Unilevel and also to Quick Start generated after the activation date. Affiliates who have received a commission without activity, i.e. without entitlement, merely because of their activity in the previous month, will have their commission withdrawn after the end of the month in the absence of activity. WLN Partners have the option to register with a new Sponsor after 6 months from the last personal purchase. After the lapse of the 12th month from the last personal purchase, We Love Noni may terminate your relationship. After the termination of the relationship, the WLN Partner may not claim any commissions or bonuses based on the turnover of the persons registered under it. Reactivation of a previous WLN Partner relationship is not possible. If a WLN Partner wishes to change the nature of his/her individual WLN Partnership and continue as part of a firm or WLN Partner company while retaining his/her original Sponsor, WLN Partner ID number and team, he/she may do so at any time by submitting a written request, subject to We Love Noni's policies.

The fee thereof is 50 EUR.

Termination of relationship at the WLN Partner's request

The WLN Partner may cancel the WLN Partner Agreement with We Love Noni at any time. The Agreement may be cancelled for any reason or no reason, and the WLN Partner does not need to give reasons for the cancellation.

Cancellation can be enforced by sending the notice from the email address registered with We Love Noni or by an original signed document. After sending the cancellation notice, the WLN Partner no longer needs to carry out any activity with his/her WLN Partner ID. The cancellation will take effect upon receipt and processing by We Love Noni. Any WLN Partner who has requested termination of his WLN Partner Agreement by We Love Noni is subject to the „Six Months' Waiting Period" policy, whereby he may not register with another WLN Partner within 6 months of the effective date of cancellation unless he has been in Inactive status for 6 months prior to the cancellation. Cancellation of a new WLN Partner Agreement is possible within 14 days from the effective date: the WLN Partner may request cancellation of his WLN Partner Agreement with We Love Noni Inc. within 14 days from the effective date - receipt of the WLN ID number. Upon receipt of the cancellation request, We Love Noni will refund to the WLN Partner the registration fee paid by the WLN Partner.

Transfer to a new Sponsor

There are 2 ways to transfer to another Sponsor:

1. With the signature of 8 Sponsors in the upline of the WLN Partner.
2. Transfers apply only to the WLN Partner's own identification number.

The team registered under the ID will be rolled up, after which the transferring WLN Partner will also not be eligible for commission or bonus payments and will lose any titles, benefits, pending qualifications associated with the position.

Annulment of marriage or divorce

WLN Partners may be required to share assets if their marriage is annulled or they are divorced. In such a case, We Love Noni will continue to treat the WLN Partner in accordance with the original Agreement until it receives a court order or court decision to the contrary. We Love Noni may not be held liable by the party having control of the relevant WLN Partnership if We Love Noni relies in good faith on the court order, decision or judgement. A person who has lost his or her right as a WLN Partner as a result of a court order due to divorce or annulment of marriage may only reapply as a We Love Noni WLN Partner after the six-month waiting period.

Death

In the event of the death of a WLN Partner, the death must be reported to We Love Noni within 90 days of the date of the event. A copy of the death certificate is sufficient proof of death. If no notification of the transfer of ownership to the heirs is received within 90 days of the death, the legal relationship will be terminated. In this case, the WLN Partner's downline will roll up to the corresponding upline Personal Sponsors. In the event of the death of the WLN Partner, the rights and titles of the WLN Partner shall pass on to the heir determined by the law of the country of residence of the WLN Partner. We Love Noni products are available at 3 price tiers:

1. **AutoShip price:** the best price available to AutoShip subscribers.
2. **Normal price:** the price paid by registered WLN Partners or Consumers who are not AutoShip members.

More information:

- *WLN Partners are eligible for Duplication Bonus if they also qualify for a free case of Magical Noni in the same month.*
- *Level 2 Duplication bonus is connected level 1 qualification, similarly level 3 bonus is paid only if you have at least 9 WLN Partners with free case qualification on the level 2 within the same month.*
- *If you have more than 3 WLN Partner with a free case, we will multiply your payout after each 3 WLN Partners with a free case. E.g. you have 6 WLN Partners with a free case on level 1, we will double the amount of your Duplication Bonus.*
- *If the WLN Partner who qualifies for the free case does not make a purchase in the following month (i.e. does not order his activity case along which we would deliver the free case), we will pay out the Quick Start bonus for those 2 customers cases that counted towards the free case qualification. Since the free case wasn't delivered – the Partner will not count towards your Duplication Bonus, neither for the ongoing incentives and Travel Bonuses.*
- *The Duplication Bonus is paid out with the first Quick Start bonus payment of the second month after qualification. E.g. you qualify for the free case along with another 3 WLN Partners from your 1st level in January, we will monitor during the month of February if those free cases were requested or not (if all of these Partners were active), if yes, the Duplication Bonus will be paid on the first full week of March at the same time as the Quick Start bonus of the first week.*
