

MARVIN COASTLINE GARAGE DOOR LIMITED WARRANTY

This Limited Warranty applies to Marvin Signature® Coastline glass garage doors purchased on or after the Effective Date from an authorized Marvin dealer and installed in the State of Florida. This Limited Warranty extends to the original purchaser and is non-transferable.

EXCLUSIVE REMEDY

This Limited Warranty is made as of the original date of product purchase and is not a warranty of future performance. Warranty notice periods begin on the original date of purchase. If a covered defect is reported during the term of the applicable warranty notice period, and otherwise in accordance with the terms of the Limited Warranty, Marvin will, at its option, repair or replace the product or component, or refund the price paid for the defective product or component. Removal, installation, finishing, refinishing, and disposal costs and services are not included. Marvin will attempt to supply original replacement parts; however, replacement parts may differ from the original parts. Replacement parts, including upgrades, are warranted for the remainder of the original product warranty.

FRAME

The aluminum panel and framing members are warranted against manufacturing defects resulting in a loss of structural integrity for twenty (20) years.

LAMINATED GLASS

Laminated glass is warranted against defects resulting in material edge separation or delamination for ten (10) years.

INSULATING GLASS

Standard insulating glass is warranted against seal failure caused by manufacturing defects and resulting in visible obstruction through the glass for ten (10) years.

HARDWARE

If purchased directly from Marvin, hardware elements are warranted as follows:

- Wheels and Hinges are warranted against defects resulting in rust which impairs the mechanical operation of the hardware for five (5) years if originally installed in a single-family residence, and for one (1) year if installed in other applications.
- Tracks are warranted against material defects for five (5) years.
- Motors are warranted against manufacturing defects impairing their mechanical operation for one (1) year.
- Springs are warranted against manufacturing defects impairing their mechanical operation for five (5) years if installed in a single-family residence, and for one (1) year if installed in other applications.

Normal wear and tear, and naturally occurring changes, such as tarnish, corrosion, oxidation, erosion, or discoloration of finishes are excluded.

FINISH

- Standard paint finishes are warranted against manufacturing defects resulting in blister, peel, chalk or fade in excess of 5 delta E Hunter units for five (5) years, per American Architectural Manufacturer's Association (AAMA) 2604 (applicable sections).
- Kynar[®] and other AAMA 2605 finishes are warranted against manufacturing defects resulting in chalk and fade, per the AAMA Specification 2605-17 (applicable sections) for twenty (20) years. 2605 finishes installed in non-coastal environments are warranted against loss of adhesion (peel) for twenty (20) years. 2605 finishes installed within three (3) miles of a seacoast or other salt water environment are warranted against manufacturing defects resulting in abnormal deterioration caused by corrosion and/or loss of adhesion for ten (10) years. "Abnormal deterioration" means damage to the finish (such as peeling, flaking, or blistering) beyond what is normal for an ocean coastline environment.

INSTALLATION

Installation services are not covered under the Limited Warranty but may be subject to a separate warranty offered by the installer.

MAINTENANCE REQUIREMENTS

Hardware must be cleaned, cleared of debris, and lubricated at least semi-annually with window and door silicone spray. Aluminum, glass, and weather stripping must be washed with a mild soap or soft solution and a soft rag every four (4) months (no abrasive cleaners). Glass surfaces can be cleaned with a commercial glass cleaner and paper towel. Products installed near coastlines or other high salinity areas require more frequent maintenance. Failure to properly maintain the product will void the warranty.

OBSOLETE OR DISCONTINUED PARTS

Parts designated at the time of sale by Marvin as obsolete or discontinued are warranted against manufacturing defects for a period of one (1) year.
