FEBRUARY 2021

Edition 18

18 February 2021

This month, FITEQ Chairman Viktor Huszár looked back on teqball's journey so far and contemplated what the future holds for the sport. At heart of the teqball's current success is FITEQ's digital engagement strategy, which has propelled the sport into the top 10 performing International Federations on social media. Meanwhile, FITEQ has received royal approval from the Malaysian State of Perlis, whilst development programmes in China, Lebanon, Albania and many others continue to bring new players and fans to the sport every day.
