

STATE OF NEW JERSEY
EXECUTIVE DEPARTMENT

Proclamation

WHEREAS, New Jersey recognizes that it plays a vital role in identifying, protecting its citizens from, and responding to cybersecurity threats that may have significant impact to our individual and collective safety and privacy; and

WHEREAS, critical infrastructure (i.e., financial services, educational institutions, energy, telecommunications, transportation, utilities, health care, and emergency response systems, etc.) is increasingly reliant on the support of information systems and technology; and

WHEREAS, cybersecurity education and awareness is crucial for everyone, including large corporations, small businesses, financial institutions, schools, government agencies, the home user, and anyone who connects to the internet, be it with a computer, mobile phone, or other internet-connected device; and

WHEREAS, monitoring your accounts, being conscientious of what you share online, keeping computer software up to date, creating unique passwords and changing them regularly, installing antivirus programs and firewalls, and using mobile devices and other internet-connect devices safely are ways people and organizations can protect themselves from phishing, viruses, ransomware, other types of malware, financial loss, and loss of sensitive data; and

WHEREAS, there is a need to inspire, engage, and inform the public about the demand, opportunities, and career options available within the area of cybersecurity and to highlight how building the nation's and New Jersey's cybersecurity workforce enhances the nation's security and promotes economic prosperity; and

WHEREAS, the Stop. Think. Connect.™ Campaign serves as the national cybersecurity public awareness campaign, implemented through a coalition of private companies, nonprofit, government organizations, and academic institutions working together to increase the public's understanding of cyber threats and empowering Americans to be safer and more secure online; and

WHEREAS, the National Institute of Standards and Technology (NIST) Cybersecurity Workforce Framework is a free resource to help organizations (both large and small, public, and private) improve their cybersecurity practices through a practical approach to addressing the ever-evolving cybersecurity threats and challenges; and

WHEREAS, maintaining the security of cyberspace is a shared responsibility in which each of us has a critical role to play, and awareness of essential cyber hygiene will improve the security of New Jersey's information, infrastructure, and economy; and

WHEREAS, the Federal Government of the United States of America, the U.S. Department of Homeland Security's Cybersecurity and Infrastructure Security Agency (www.cisa.gov), the Multi-State Information Sharing and Analysis Center (<https://www.cisecurity.org/ms-isac>), the National Association of State Chief Information Officers (www.nascio.org), and the National Cyber Security Alliance (www.staysafeonline.org) all recognize October as Cybersecurity Awareness Month; and all citizens are encouraged to visit these websites, along with New Jersey Office of Homeland Security and Preparedness, the New Jersey Cybersecurity and Communications Integration Cell, the U.S. Department of Homeland Security, the Multi-State Information Sharing and Analysis Center, the National Association of State Chief Information Officers, the National Cyber Security Alliance and the STOP. THINK. CONNECT.™ Campaign website (www.cisa.gov/stopthinkconnect) or www.stopthinkconnect.org to learn about cybersecurity to put that knowledge into practice in their homes, schools, workplaces, and businesses;

NOW, THEREFORE, I, Philip D. Murphy, Governor of the State of New Jersey, do hereby proclaim:

OCTOBER 2021

AS

CYBERSECURITY AWARENESS MONTH

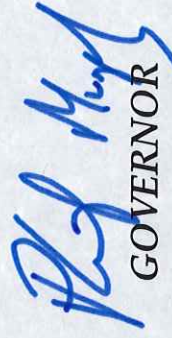

in New Jersey.

GIVEN, under my hand and the Great Seal of the State of New Jersey this twenty-seventh day of September in the year two thousand twenty-one, the two hundred forty-sixth year of the Independence of the United States.

Lt. GOVERNOR
