-ISAIAH 58:11

BUCK DENVER asks...
WHAT'S IN THE BIBLE?

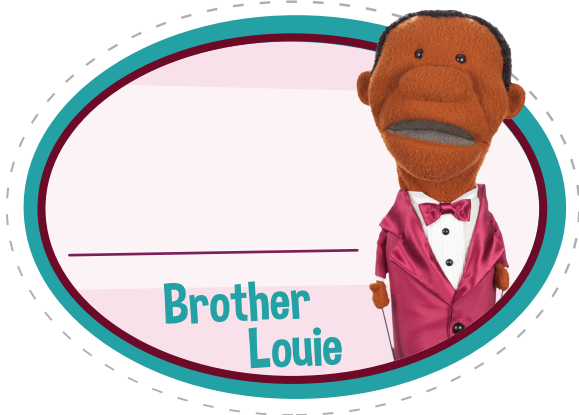

God, our souls are like a garden, full of blossoms that share your love and beauty with the world! Fill our garden with the wind of your love and carry the sweet smells of peace, joy, and faith to everyone we meet. Help the fruit of your spirit grow in the garden of our hearts so that we might bring you joy and bless other people.

Plant Markers

Instructions: Cut out these fun *What's in the Bible?* plant markers for your garden! Write the name of each plant on one of the markers, then glue or tape the marker onto a popsicle stick.

Tip: Laminate the marker with packing tape to make it waterproof.

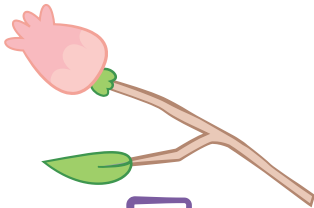

Scavenger Hunt

Instructions: Have an outside scavenger hunt! Explore God's creation together and see how many things you can find from the list below.

Mark each object off when you find it!

Tip: Set a 10-minute time limit and divide into 2 teams.

See who can find the most items from the list!
