

# Study Abroad Budget Template

Creating a smart budget before you travel can help make sure you spend your money wisely and don't run out before you're ready to come home.

Everyone's situation is as unique as they are. Some items on the list may not apply to you, and we've left some open spots to fill in other items you might need to account for. Be as complete with your budget as you can.

**Exchange Rate**

Knowing the exchange rate can help you stay on budget. Although the rate may fluctuate, note it now so you have an idea of what to expect.

\$1 USD = \_\_\_\_\_
