PMI PDU FAQ

What does the Project Management Institute R.E.P designation mean?

As a PMI R.E.P., Learning Tree is committed to enhancing the ongoing professional development of PMI members, PMI-certified Project Management Professionals (PMP)® and other project management stakeholders. Furthermore, at least some of the material covered in our PMI-aligned courses concurs with one or more of the knowledge groups or process areas described in the Project Management Body of Knowledge (PMBOK®) Guide –Sixth Edition.

As a PMI R.E.P., Learning Tree has agreed to abide by PMI-established operational and educational criteria and is subject to random audits for quality assurance purposes.

Can I earn Professional Development Units (PDUs) by attending a Learning Tree course?

Yes. Completion of certain Learning Tree courses provide professional development units (PDUs), which can be applied toward the minimum PDUs required to sit an exam or to maintain your certification.

Please refer to the chart in this document to see the number of PDUs provided per each Learning Tree PMI-aligned course.

How do I earn PDU credits for Learning Tree courses?

Certification candidates and existing credential holders are responsible for reporting all Continuing Certification Requirements Program (CCR) activities to PMI. To report the completion of a Learning Tree course, you can use the Online PDU Resources System.
1. Go to the PMI Continuing Certification Requirements System https://ccrs.pmi.org/
2. Log in with your username and password
3. Locate the claim code associated with your course in the table in this document
4. Click on "Report PDU for this activity"
5. Fill in the date started and date completed
6. Click on the box agreeing this claim is accurate and then submit

PMI PDU FAQ continued...

Can I earn PDUs for on-demand training and personal study?

Yes, you can. PMI allows students to earn 1 PDU for each hour spent on self-study. When students participate in self-study activities, they are allowed to claim 1 PDU for each hour spent on self-study activities up to a total of 30 PDUs. For more information on how to earn PMI PDUs, visit the PMI Handbook: Ways to Earn PDUs ›

What is Learning Tree's provider number?

When applying for PDU credits, you will need Learning Tree's provider number, which is 1154, and the PMI program numbers listed in the charts on the following pages. To apply these Learning Tree course PDUs, be sure to select "Category A" when completing the PDU form.

What are the 3 skill categories of the PMI® Talent Triangle?

1. Ways of Working: Knowledge, skills and behaviors related to specific domains of Project, Program and Portfolio Management.
2. Power Skills: Knowledge, skills and behaviors specific to leadership-oriented, cross-cutting skills that help an organization achieve its business goals.
3. Business Acumen: Knowledge of and expertise in the industry or organization that enhances performance and better delivers business outcomes.

What is the PMP® certification?

PMI grants a Project Management Professional (PMP)® certification that is well-known in the field. This certification recognizes experience, education, and accomplishment in project management. To become certified, candidates must pass an exam.

If you are an experienced project manager and intend to take the PMP® exam, you should take Course 276, Project Management Professional (PMP)® Exam Prep. In this course you learn essential PMBOK® Guide terminology and gain practical test-taking experience. This course also provides you with 35 contact hours, fulfilling your pre-exam education requirement.

PMI PDU FAQ continued...

What is the CAPM® certification?

PMI grants a Certified Associate in Project Management (CAPM®) certification that is beneficial to project team members or early-stage project managers who are looking for a stepping-stone to the PMP certification.

If you intend to take this exam, Course 3601, Certified Associate in Project Management (CAPM)® Exam Prep, can help you learn the terms and definitions of the PMBOK® Guide and prepare for the CAPM® exam. You will also learn how to identify significant steps of the project life cycle, evaluate your exam preparedness and create a personalized plan for self-study.

What is PMI-ACP® certification?

PMI grants a PMI-Agile Certified Practitioner (PMI-ACP)® certification that is beneficial to experienced or aspiring Agile certified practitioners wishing to demonstrate knowledge of agile principles, practices, tools and techniques across agile methodologies.

If you intend to take the exam, Course 3605, PMI-Agile Certified Practitioner (PMI-ACP)® Exam Prep, can help you gain the skills necessary to prepare for the (PMI-ACP)® exam. You learn essential Agile terminology, tools and techniques through practice exams and workshops. You also create a personalized study plan identifying your specific strengths and weaknesses designed for ultimate exam success.

What is the Learning Tree PMP Exam Prep Guarantee?

Learning Tree stands behind the quality of its courses. If for any reason you do not pass your PMP® exam after completing course 276, Project Management Professional (PMP)® Exam Prep, contact us within 60 days of the last day you attended the course to schedule a free course retake.
