

# ICAgile Certification & Training Roadmap

The ICAgile Learning Roadmap provides learning paths for multiple disciplines.

Our ICAgile-accredited courses focus on the implementation of real-world Agile skills. The ICAgile training courses on this map go beyond “teaching to the test” to provide you with practical knowledge and skills that you can use back on the job immediately.

**An Agile Mindset is a Valuable Requirement!**  
Let us show you how to be Agile in your profession!
