TO EAT IN ALABAMA

# PLATES OF INTEREST

Bring a hearty appetite and meet the award-winning chefs who are turning local bounty into works of art. Whether it's delicious goat cheese, fresh-from-the-Gulf seafood, home-grown collards and sweet potatoes, or mouth-watering barbecue, you'll discover your personal favorites in this updated edition of Alabama's most interesting places to eat.

We've organized the list of dishes available to make them easier to navigate. The state has been split into four regions: North, Central, South, and Gulf Coast. The list of dishes is always growing. To learn more visit our website [www.ilovealabamafood.com](http://www.ilovealabamafood.com).
