WEIGHT LOSS

The proprietary blend of ingredients support weight loss and appetite suppression. One of the most powerful ingredients is Yerba Mate. Research has shown that it may boost your metabolic rate and increase fat oxidation due to thermogenic and antioxidant properties.

HYDRATION

Did you know that nearly 70% of adults are not properly hydrated? Hydration is critical to optimal health. Simply add the contents of a GO TIME™ ENERGY power stick to water and receive a refreshing hydration boost with essential electrolytes and hydration compounds.

"I've been hooked on energy drinks for years. I hadn't had any success with "healthy" alternatives. I was shocked at the amount of energy and focus I felt when I tried GO TIME ENERGY – not to mention it's packed with my daily vitamins. I'm now a believer!—Brett S.

"I've used original GO TIME for over a year and love it. I wasn't sure I would see much of a difference with GO TIME ENERGY. I was blown away at the huge punch of energy it gave me and I LOVE the new flavor."— Tanner M.
