REGISTERED TESTING POOLS & TESTING POOLS
TESTING POOLS

OTHER POOLS
Mainly in-competition testing or random out-of-competition testing
No whereabouts requirements for athletes

TESTING POOL
Limited whereabouts requirements

RTP
Full whereabouts requirements

Limited whereabouts requirements

No whereabouts requirements for athletes
A pool of top-performance athletes selected by International Federations, National Federations and National Anti-Doping Organisations based on various criteria. These athletes are subject to strict Whereabouts requirements with clear consequences and sanctions in case of non-compliance.
Athletes included in a Testing Pool are also required to provide Whereabouts information to their Anti-Doping Organisation. However, the list of the TP whereabouts requirements is shorter and the consequences for non-compliance are less severe.
OTHER POOLS

Whereabouts requirements applied to athletes included in other pools are minimal and depend on the amount of information an Anti-Doping Organisation needs to occasionally locate the athletes included in this pool. Often, such whereabouts information is provided by the third parties like the National Federation or Team Managers.
WHAT IS THE TESTING POOL OF YOUR SPORT?

WHAT ARE WHEREABOUTS?

✓ Whereabouts are information provided by a limited number of top elite athletes about their location

✓ Information is provided in the form of quarterly filings as per the requirements of the Anti-Doping Organisation requesting the information

✓ Whereabouts information is uploaded onto a secure platform and can only be accessed by the authorised person acting on behalf of the Anti-Doping Organisations with authority to conduct the OOC Testing
WHAT ARE WHEREABOUTS?

✓ Each Anti-Doping Organisation shall implement an effective and intelligent Anti-Doping Program on athletes over whom it has authority to conduct Testing.

✓ The amount of whereabouts information requested depends on the Risk Assessment and the Test Distribution Plan.
RTP WHEREABOUTS REQUIREMENTS

- Mailing address and phone number
- Overnight accommodation
- 60-minute time slot for every day
- Training and regular activities
- Competition schedule
- Travel information
- Additional information
INCLUSION IN A TESTING POOL

Letter of Inclusion

✓ The letter includes an overview of the essential aspects of RTP/TP athlete obligations as set out by the IF/NADO Anti-Doping Rules and the World Anti-Doping Code

✓ Each athlete is required to acknowledge their inclusion by returning an Acknowledgement Form to the ADO
INCLUSION IN A TESTING POOL

- Purpose of the inclusion
- Whereabouts requirements
- Quarterly deadlines
- Sanctions for non-compliance
- How to submit whereabouts
Included athletes remain in the RTP until they are informed by the ADO of their removal from the pool or until they give a written notice of retirement.

If an athlete would like to retire from competition, they must inform the ADO in writing by signing the official Retirement Form.
Athletes who wish to return to competition must inform their anti-doping organisation and provide a six-month written notice.

Athletes excluded from the Testing Pool will receive a Letter of Exclusion from their ADO.

Athletes can remain included in another ADO Testing Pool (i.e., of a NADO) and should continue to comply with the requirements of that organisation.
WHEREABOUTS SUBMISSIONS
Athletes are required to file a three-month schedule before the start of each quarter. More precisely, the deadline to submit whereabouts filings is the 15th of the month prior to the start of the new quarter.

ADAMS

The Anti-Doping Administration and Management System (ADAMS) is a Web-based database management tool for data entry, storage, sharing, and reporting designed to assist stakeholders and WADA in their anti-doping operations in conjunction with data protection legislation.
ATHLETE CENTRAL

✓ WADA’s mobile application which allows athletes to easily submit and update Whereabouts information using a mobile device

✓ User-friendly and available in many languages

✓ Athletes are encouraged to download and use the application regularly

MISSED TESTS AND FILING FAILURES
ANTI-DOPING RULE VIOLATIONS

1. Presence of a prohibited substance in athlete’s sample
2. Use or attempted use of a prohibited substance or method
3. Evading, refusing or failing to submit to sample collection
4. Failure to file athlete whereabouts information & missed tests
5. Tampering with any part of the doping control process or during Results Management
6. Possession of a prohibited substance or method
7. Trafficking a prohibited substance or method
8. Administering or attempting to administer a prohibited substance or method
9. Complicity or attempted complicity in an ADRV
10. Prohibited association with sanctioned Athlete Support Personnel
11. Acts by an athlete or other person to discourage or retaliate against reporting to authorities
CONSEQUENCES

Submitting late, inaccurate or incomplete whereabouts information that leads to an athlete being unavailable for testing may result in a **Filing Failure**.

An athlete may receive a **Missed Test** if he/she is not available for testing during a 60-minute timeslot.

Three **Whereabouts Failures** (any combination of a Filing Failure and a Missed Test) occurring in a 12-month period will lead to an Anti-Doping Rule Violation and a potential two-year ban from sport.

In case a member of the athlete’s support team is helping the athlete submit their whereabouts information, the **athlete remains responsible** for the information submitted!
CONSEQUENCES

REGISTERED TESTING POOL:
- Filing Failure
- Missed Test
- Whereabouts Failure

TESTING POOL & OTHER POOLS:
- Athlete may be moved to the Registered Testing Pool
- Other consequences may apply
USEFUL TIPS

- Enable Athlete Central notifications
- Set a reminder in your calendar/agenda of the key dates/deadlines to submit your quarterly Whereabouts information
- Set an alarm for the start of your 60-minute time slot so you can make sure you are where you say you are
- Be specific and detailed when submitting your Whereabouts information
- Regularly check and update your contact information
- When in doubt, ask for help!
