# COASTLINE GARAGE DOOR

Marvin Coastline all aluminum windows and doors combine a beautiful aesthetic, design flexibility, and rigorous impact performance. Available in select southeast coastal regions, Coastline products meet the most stringent hurricane impact code requirements in North America.

## FEATURES

- 2" or 3" tracks with low, standard, high, and vertical lift options
- 3" panel thickness
- Ten colors and wood grain finishes
- Custom colors available
- Stainless steel hardware
- Up to 8 divided lites per section
- Single lite section widths up to 12' wide
- Multi-lite section widths up to 18' wide
- Solid panels available

## IMPACT RESISTANT GLASS

Coastline Garage doors are available with several glass options including:

- $\frac{5}{16}$ " laminated PVB
- $\frac{7}{16}$ " laminated SGP
- $1\frac{1}{16}$ " insulated PVB
- White interlayer
- Glass tints and energy saving Low-E coatings are available

## GARAGE DOOR OPENER OPTIONS

The Coastline Garage door is available with a Residential Ceiling or Side Mount Opener or a Commercial Side Mount Opener. Designed to lift the heaviest doors, all three feature Wi-Fi connectivity, optional keypad, and safety and security features.

### RESIDENTIAL CEILING MOUNT

- Maximum door size 18' wide or 14' high

### RESIDENTIAL SIDE MOUNT

- Maximum door size up to 16' wide x 7' high
- Battery backup

### COMMERCIAL SIDE MOUNT OPENER

- For sizes over 16' wide x 7' high
