schedule online.**

# 2024 Online Training Schedule

Experience live NCM training from the comfort and convenience of your own space with our instructor-led online courses. Engage directly with expert instructors and fellow participants while achieving the same competencies and objectives as our in-person training offerings.

Each course spans two to four 75-minute sessions specifically designed for an online environment. These sessions are held over the course of a month and complemented by self-paced study materials. All you need is a computer with a camera and a microphone in a quiet space and you are on your way becoming equipped with practical strategies to enhance your skills and address the unique challenges you encounter.
