MARCH 2022

Edition 31

18 March 2022

The European Teqball Tour grand opening in Lisbon headlined a busy February for the global teqball family, with competitions also taking place in Pakistan and Somalia. Para teqball activities continued during Hungarian Paralympic Day, whilst new and modified rules were officially introduced. The FITEQ Executive Board met to discuss key topics for 2022, including the composition of the FITEQ Committees, development programmes, and the event calendar for 2022.
