Learning Tree Training eCatalog | Process & Methodology

A Guide To Finding The Right Learning Solutions For Your Journey

Instructor-Led
The Live Classroom Experience.

Whether you're at home or the office, learn real-world skills from our subject matter expert instructors.

Self-Paced
Learn on Your Own Time.

With self-paced, on-demand training options from Learning Tree, you can choose the time and duration of training that best suits your schedule and learning needs at a fraction of the cost of in-person training.

Blended Multi-Modal
The Best of Both Worlds.

Blended learning leverages the flexibility and convenience of self-paced training and the personal connection and accountability of in-person instruction. Learning Tree's Blended Learning Bundles offer flexible delivery, featuring anywhere, anytime, any way access to self-tailoring learning experiences.

Learning Tree+ Advantage Plan

Grow your skills and capabilities with more than one course at a time and save!

Unlimited Access. Unlimited Learning. Unlimited Potential.

- Learn AnyWare – anytime with access to more than 300 virtual instructor-led courses
- Future-proof your career with more than 100 sought-after certifications in the market
- Build real skills through hands-on learning in more than 180 virtual labs
- Unlimited access to a comprehensive selection of guaranteed to run (GTR) virtual instructor-led training (VILT) courses included in this plan

93%

OF EMPLOYEES say that well-planned training programs positively impact their level of engagement

"We turned to Learning Tree to advance effective business case writing and got a structured learning environment tailored to our needs. The instructor's experiences gave valuable insights our team put to successful use."
