Professional coverage of your event from multiple angles, perfect for internal distribution or on-demand playback.

4× Camera Video Capture

Professional coverage of your event from multiple angles, perfect for internal distribution or on-demand playback.

Includes:

- 4× HD broadcast camera kits + operators
- Multitrack audio recording
- Full edited video (additional cameras available on request)

Highlights Reel & Vox Pops

A creative wrap-up of your event featuring:

- Filming in multiple locations
- Vox pop interviews with delegates
- Time-lapse footage
- Full edit + one re-edit included

Filming & Recording Licence Fee

Required for external crews filming onsite.

Waived when you book our in-house recording or broadcast packages.

Pricing is available on request, with flexible packages designed around your event requirements.

Recording & Broadcasting Packages

Live Relay

Broadcast your event in real time to any of our other rooms – perfect for overflow seating or private staff viewings.

Live Streaming

Bring your event to a global audience with a dedicated internet line for high-quality streaming.

Can be combined with any recording package or added to your own production setup.

OPTIONAL ADD-ON:

Bespoke Microsite Package

- Turn your stream into a full virtual experience:
- Event-branded microsite (agenda, speaker profiles, social media integration)
 - Pay-to-view streaming options
 - Customer data capture for lead generation
 - On-site broadcast staff support
 - 2-week turnaround for edited video content

Pricing is available on request, with flexible packages designed around your event requirements.
